

Steveston Interchange Project

Highway 99 overnight closure on December 5

December 2024

Highway 99 will be closed to traffic in both directions on the night of December 5 to pour a large section of the concrete deck on the north half of the new overpass.

The closure will take place overnight on December 5 from 11 p.m. to 5 a.m. the following morning. Vehicles travelling on Highway 99 will be detoured using the on- and off-ramps at Steveston Highway. The northbound loop ramp from Steveston Highway onto Highway 99 will be closed and traffic will be rerouted to access the north side on-ramp.

The work is being completed overnight to minimize daytime traffic disruptions.

If you have construction questions, please email StevestonProject@flatironcorp.com or call 1-888-270-1075 (24/7).

What to Expect

	<p>Timing</p> <ul style="list-style-type: none"> > Overnight on December 5 		<p>Hours of Work</p> <ul style="list-style-type: none"> > December 5 - 6: 11 p.m. to 5 a.m.
	<p>Traffic</p> <ul style="list-style-type: none"> > Highway 99 detour using ramps > Eastbound traffic on Steveston Highway rerouted to access Highway 99 northbound 		<p>Impacts/Interruptions</p> <ul style="list-style-type: none"> > Expect minor delays > Moderate noise from construction equipment
